

2018 Destination Imagination Mid-Cities Regional Tournament Helper Check-In Information

Thank you for volunteering to help at our tournament. This is a very big event for your child and their team, and your help allows us to keep it less chaotic for everyone.

We will not be asking you to help during the time that your child(ren) is/are performing their Team Challenge for appraisers, so you may plan to be a spectator at their performance.

Spectators are not permitted to Instant Challenge with the team, so you may be helping during that time.

Since you will want to arrive at the site where your child is performing about 10 minutes prior, please take this into account when checking in or out as a helper. The areas where challenges are taking place are not very far apart, but crowding in hallways is constant.

Following are guidelines for when we would like you to check in for a 1-hour assignment somewhere in the building:

If your team's performance is	Helper should check in
08:00 am – 10:00 am	30 minutes following team's performance
10:00 am – 4:00 pm	2 hours prior to team's performance

Helper Check-in is in the Main Foyer at Haltom High School

Please find your way there at the proper time and you will be given an assignment with directions and instructions.

For those with multiple children participating on teams, choose a good time between their performances to check in and we will work with you to make sure you do not miss any performances.

This schedule may mean that you must arrive at the school earlier than your child's team. Please make every effort to arrange this with the Team Manager so that everyone gets there on time and knows where to go.

Maps will be posted at the school and they can be found on our website at <http://midcities.txdi.org/2018tournament>.

If you have any issues or questions, email Charles Compton at cccompton@texasdi.org
